### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Jane Cunningham,  
Mark, Okla.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your ancestors through whom you claim your Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent whatever through your father?

If so, set out the source of the same. Kindly furnish us with the given and surnames of all of your grandparents.

Did you or any of your ancestors ever live or affiliate with any Indian tribe? If so, kindly state where.

Were you or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Did you or either of your parents ever participate in any Old Settler payment? If so, state when and where. Have you been rolled or attempted to be enrolled by the Dawes Commission? If you were enrolled, on what roll does your name appear and what is the number of such enrollment?

Very respectfully,

FDR/LJC

Special Commissioner.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee, give the county in Tennessee in which your parents resided in 1835. Were they enrolled at that time? What was your name in 1851? Were you married at that time? Give the full names of your grandparents on your mother's side, and of all those they resided in 1851 and 1861 in living at the latter date.

You state in your application that your name may appear upon the 1861 roll as Mills, Thum or Agnew. Please inform us why you think you might have been enrolled under the two former names? Were you or your parents slaves? If so, state whether slaves of Indians or white people.

Very respectfully,

Dear Sir:

In reply to your letter which was somewhat delayed in mail. I do not know whether my parents ever resided with the Cherokee tribe or not. I think they did. We have been regarded as white and Cherokee Indian mixed. I do not know why my Great Grand Father was not enrolled in 1851. I think he lived in Cob County Ga. Dont know whether he was living in 1834-35 or not. It may be that he ~~is~~ was living in Cob Co. Ga. at that time. I guess my Grand parents were in Cob Co. Ga. in 1834-35.

I am yours very resp.

Sir:

I am in receipt of your letter of August 16, 1909, in which you call attention to the fact that the two minor children of Lethor E. Webb, of Benton, Tennessee, have not been enrolled with their father.

In reply you are advised that those children were omitted from the roll by mistake and the same will be corrected.

It will not be necessary for Mr. Webb to file an exception or take any further action in the matter, as the children's names will be placed on the roll before payment is commenced.

Very respectfully,

Special Commissioner.

Appl. #26959

James C. Kuykendaw being first duly sworn, deposes and says:

My name is James C. Kuykendaw. I live at Potts Mountain, Ga. I was born in 1862. I claim Cherokee Indian blood through my mother and her father. My mother's name was Caroline Kuykendaw. My grandfather's name was James Newman, the Indian name was James Osee. My mother was born in Fayburn or Lumpkin Co., Ga. She died in 1907 and was 69 years old. My grandfather was born and raised in S. C. I don't know what part. My mother was recognized as a white woman. I reckon my grandfather was recognized as an Indian. He lived amongst them and worked with them, and when the Indians went away from here he went with them and came back. When the Indians went away he was living in Ga. I know my mother never got any money or land from the Govt. on account of her Indian blood, and I have heard my mother say my grandfather never did. I never heard of them being enrolled. In 1882 I lived in Pickens Co. Ga. I know Ina Whitmore. Her mother and I were cousins. We claim our Indian blood through the same channel. I have filed an application. My number is 29235. He stayed (my father) away when he went off with the Indians about two or three years. I never got any money or land from the Govt. on acct. of my Indian blood. I think my grandfather might have owned a little bit of mining property in Lumpkin County when the Indians were driven away. It seems like he was carried away with the balance of the Indians. My mother was not carried away with the Indians. She was small. My grandfather's wife and children all stayed here. I don't know whether my grandfather was a member of the Indian tribe when he was taken away from here.

Madam:-

Relative to your application for a share in the Eastern Cherokee Fund, I beg to inform you that same is too incompletely made out for us to form a basis of inquiry into its merits. Kindly furnish us with the given and surnames of your parents, also of your grandparents on the side through which you claim Cherokee descent.

None of the names mentioned in your application appear on either the roll of 1835 or 1851. If you claim any of your ancestors were on either of these rolls, state the names under which they were enrolled. If not on those rolls, state the reason why.

Were any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Do you claim Cherokee descent through both parents? Did any of your ancestors ever live with any tribe of Indians? If so, when and where?

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Madam:--

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Kindly state whether you claim Cherokee descent through one or both parents, and give the source of your claim together with the Indian and English names of each ancestor. State whether any of them were ever affiliated or associated with any tribe of Indians, and if so, give the names of such tribe and state whether they were residing.

Were any of your ancestors ever sold as slaves? If so, state whether they were owned by white people or Indians.

Why have not your parents made application to share in this fund? Please furnish this office with their present addresses.

Did any of your ancestors ever participate in any of the earlier treaties? If so, state how and where. Were you ever enrolled by the Bureau of Indian Affairs? If so, give the number of your enrollment and indicate on what roll your name appears.

Very respectfully,

Madam:-

Replying to your letter of September 2, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Dear Sir,

Recd.

Your letter of April 20  
received, I can assure  
I am a descendant of  
pure Cherokee Indian  
but if they were not  
enrolled I can not say  
My great grand father  
was for Procter a full  
blood Indian he was  
taken to the Nation with  
the Indians about 1835  
at I can not say whether  
he was taken from Ga or

South Carolina  
his wife was a white  
woman and they had  
two children a girl & boy  
The wife hid out with the  
two children and were  
not taken to the territory  
The father for Proctor  
or Proctor offered a  
reward for the children  
but never got them. I  
am a descendant of  
for Proctors daughter  
who married John Beal  
who was English and I  
am his grand daughter  
Whether my great mother  
for Proctors daughter  
was enrolled or not I  
can not say but I do  
know that she got a  
free transportation

to this territory for  
herself & five children  
some where near the  
year 1860 but she never  
used it

There is no negro blood  
in the family nor were  
any of my ancestors  
slaves that I have ever  
heard of.

I am sure I am a Indian  
descendant and truly  
hope you will be able  
to locate me.

Hoping to hear from  
you soon favorable

I am Yours  
sincerely

Rachel M. Parker.

Relative to other countries, the United States has a high level of economic freedom, but it is not the highest. The United States is ranked 10th in the world in terms of economic freedom, according to the Heritage Foundation's Index of Economic Freedom. This is a significant achievement, considering that the United States is a large, developed country with a long history of economic freedom.

State whether any of them were ever affiliated or associated with any tribe of Indians, and if so, give the name of such tribe and state where they were residing.

Were any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim Cherokee descent through both parents? If not, give the source through which you do claim. Kindly furnish us with the names of any of your Cherokee ancestors who ever lived with any tribe of Indians, and give the place of residence when living with such tribe.

Were any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Give us all the information you can furnish to establish your right to participate in this fund.

Very respectfully,

Special Commissioner.

My name is Sarah F. Corbitt. I live Stevenson, Ala.

my father and his father and mother. My father died in 1888  
and was about 51 when he died. My father was born in Jackson  
County, Ala. I don't know where my grandparents on my father's  
side came from. My father and his parents were recognized as  
white people and lived with white people. If they ever lived  
with the Indian tribe, I never heard of it. My great grand  
father through whom I claim my Indian blood was recognized as  
a white man. He never ~~lived~~ lived with the Indians as  
I know of. My father and his father and his grandfather  
never got any money or land from the Government, and were never  
enrolled. My father and grandfather and great grandfather never  
took part in any tribal proceedings as I know of. My father  
always taught me that I was a part Cherokee Indian. In 1882  
my father and I were living in Jackson County, Ala. I don't  
know why we were not enrolled at that time. I never heard of  
a treaty the Govt. made with the Indians in 1835.

Mary A. Cargile, being first duly sworn, deposes and says:

My name is Mary A. Cargile. I live at Stevenson, Ala. I was born in 1860 in Jackson County, Ala. I claim Indian blood through my mother and her father. My mother has been dead four years and was about 66 when she died. My mother was born in Ala. I don't know what County. I don't know where my ~~father~~ ~~xxx~~ grandfather came from. My mother was recognized as a white woman. My grandfather ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ lived with the Indian tribe, but I don't know whereabouts it was. My mother and grandfather never got any money or land on account of their Indian blood. I never heard of them being enrolled with any tribe of Indians. I never heard my mother say anything about living with the Indians. I never heard of a treat made with the Indians. If I ever did I don't remember. In 1882 I reckon I was living in Jackson County, Ala. I have never gotten any money or land from the Government. There were two children in my mother's family older than herself.

App. No. 27030

April 21, 1908.

Samuel C. Cook,  
Atlanta, Ind. R.F.D. 20

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent whatever through your father? If so, set out the source of the same.

Did your mother or any of her ancestors who you claim possessed Cherokee blood, ever reside with any Indian tribe? If so, state where and where and give the names of such tribe.

Were any of your ancestors ever held as slaves? If so, give their names and state whether they were owned by white people or Indians.

Give all the information you can furnish to establish your right to participate in this fund.

Very respectfully,

Special Commissioner.

FDR/LJC

Samuel C. Cook.

#27030.

Samuel C. Cook being first duly sworn deposes and says:

I am 44 years of age and live at Atlanta. I claim my Indian blood through my mother, Mary Williams. She died when I was 9 months old. She died in Davie County, N.C. She claimed to be 1/4 Indian. My mother's mother was an Indian, and her name was Patsy Williams. She lived and died in N.C. She was a half Cherokee Indian because she was the daughter of my great grandmother, Mary Ridson, a full blood. My aunt, in Indianapolis, Rebecca Cook, has told me about my Indian blood. She is living now and is between 88 and 90 years old. I have never heard whether any of my ancestors were ever held as slaves or not.

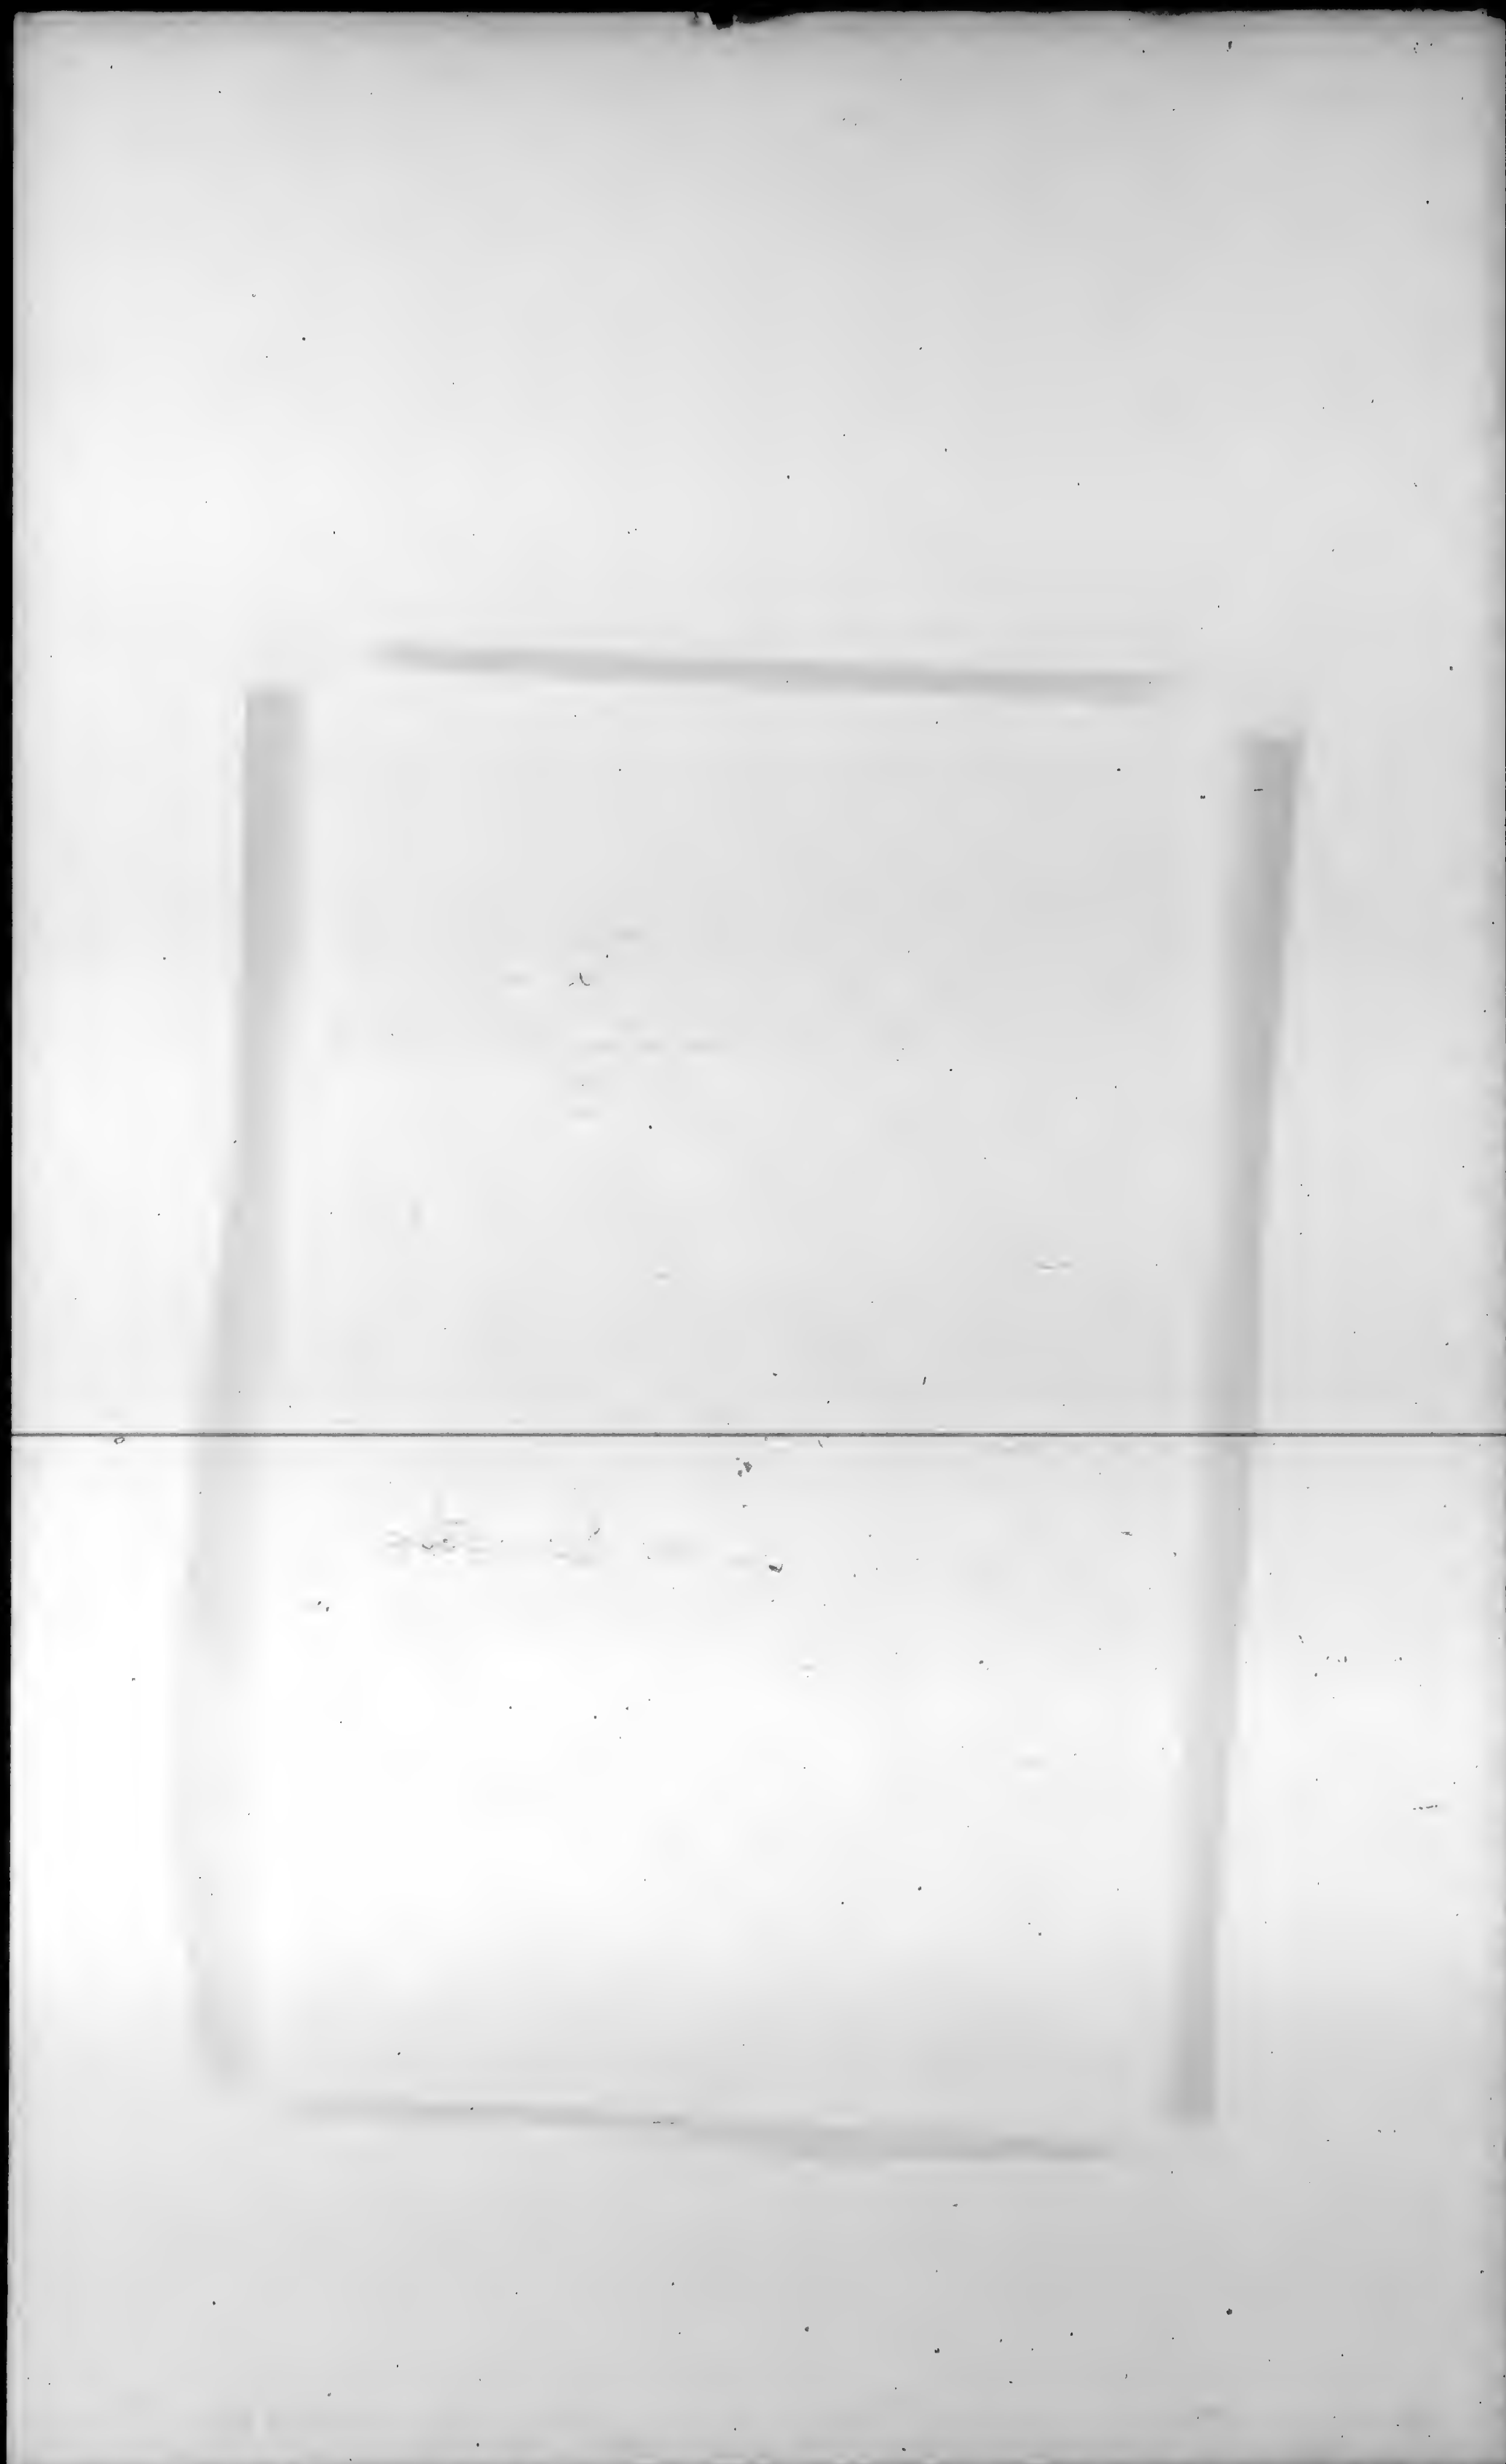

Subscribed and sworn to before me this 17th day of Aug. 1908, at Noblesville, Ind.

Jacks Springs, Tenn.

Sir:-

Relative to your application for participation in the Eastern Cherokee Land, kindly state why your name and those of your ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1861, do not appear on the Cherokee rolls of those dates.

If you were ever held as a slave and if any of your ancestors were so held, give the names of such ancestors and state whether you or they were owned by white people or Indians.

Do you claim Cherokee descent through both parents? If through but one, designate which one.

Kindly give the full given and surnames of each grandparent. Did you or any of your ancestors who were living in 1835 and 1861 ever reside with any tribe of Indians? If so, state when and where and give the name of such tribe.

We note that there has been an application filed on behalf of your deceased brother, Johnson Hackworth. Kindly give us the date of his death.

Appl. 27034

Jasper Hackworth, being first duly sworn, deposes and says: My name is Jasper Hackworth. I live at Cedar Springs, Tenn. I was born in 1928. I was born in Marion County. I claim my Indian blood through my mother and her mother. My mother lived with the white people all her life so far as I know, and was recognized as a white woman. I claim my Indian blood through my great grandfather Huffman. I heard that my great grandfather Huffman married an Indian. My grandmother's name, through whom I claim, was Serena Bigley. I don't know whether she was recognized as a white woman or an Indian. My grandmother, my mother or I never got any money from the Government. I never heard of them trying to get any. I put in my claim because Mr. Vought found out that I had Cherokee blood.

Sir:

Replying to your letter of October 7, 1907, you are advised that the application of Martha E. Layne is on file in this Office, and that the same has not been reached for final consideration, and we cannot state at this time whether or not she will be entitled to share in this fund, nor the amount each successful claimant will receive.

As there are nearly 44,000 applications on file and the claimants are widely scattered throughout the United States, it will take considerable time to have all of these cases adjudicated.

Honorable John A. Moon,  
House of Representatives,  
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your letter of March 9, 1908, inclosing a letter from Mr. J. A. Layne, of Whitwell, Tennessee, relative to the application of Martha A. Layne.

In reply you are advised that this application has not been reached for final adjudication and we cannot state, at the present time, whether she is entitled to share in the Eastern Cherokee fund.

You are further advised that we cannot state when this fund will be distributed. It will be necessary first to have a complete enrollment of all those entitled to share in the fund and to have this enrollment approved by the Court of Claims, and until this is done no money can be distributed.

More than 44,000 applications have been filed by claimants residing in all parts of the United States. These applications will all have to be examined, grouped in families, and in many instances testimony will have to be taken in the field before a decision can be reached as to the merits of the claim.

Mr. Bayne's letter is returned, herewith, as requested.

Very respectfully,

Special Commissioner.

App. No. 27042

Martha E. Layne,  
Delphi, Tenn.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent whatever through your mother? If so, give the names of her ancestors in full as far back as you possibly can.

Did any of the persons through whom you claim Cherokee descent and who were living in 1835 and 1851, ever reside with any tribe of Indians? If so, state when and where and give the name of such tribe.

Were any of your ancestors ever held as slaves? If so, give the names and state whether they were owned by white people or Indians.

Why have not your parents made application? Will you furnish us with their present addresses?

Very respectfully,

Special Commissioner.
